RE: Application of Condor Environmental, Incorporated Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Saluda County and Approval of Agreement (Request for Expedited Review)
Docket No. 2020-275-S

Dear Ms. Boyd:

I am writing this letter on behalf of American Land Holdings, LLC, ("ALH") Palmetto Pointe Development Company, LLC ("PPDC") and Palmetto Pointe Community Association, Inc. ("PPCA") (collectively "Petitioners") in support of Condor Environmental, Inc.'s Motion to Reconsider or Appeal to the Commission filed today in the referenced docket. On December 7, 2020 Petitioners filed a petition to intervene in this docket. See Docket Entry 295828. In compliance with R. 103-825(b) and (c), in their petition to intervene Petitioners explained that the purpose of their intervention was to oppose the intervention of Saluda County Water and Sewer Authority ("SCWSA"). See paragraphs 11 through 13 of the Petitioners' petition to intervene.

Order No. 2020-128-H granted the SCWSA petition to intervene in part on the basis that no objection to it had been made. However, Condor Environmental has filed an objection and Petitioners have sought to intervene for the express purpose of opposing the SCWSA intervention. For those reasons and for the reasons explained in their petition to intervene, Petitioners support the motion by Condor for reconsideration of Order No. 2020-128-H.

Yours truly,

Frank R. Ellerbe, III
